MEMORANDUM FOR: Mr. Lyman B. Kirkpatrick

SUBJECT : Investigation of the Machine Records Division,
Office of the Comptroller

Kirk:

I am attaching hereto a copy of a "Report of Investigation of the Machine Records Division" made by [REDACTED] Office of the Comptroller, at the direction of the Comptroller after receipt of your 7 October 1955 memorandum alleging mismanagement. [REDACTED] and [REDACTED] were not permitted to read your memorandum and, in fact, have not seen it yet. I have discussed this investigation with them, and in addition to the evidence of the statistics am impressed by the fact that through their interpretation of the attitudes of the employees interviewed they would have drawn conclusions far less uncomplimentary than those drawn by your staff.

Based upon their conclusions your recommendations seem to be quite severe. I would suggest that you might like to discuss this matter personally with [REDACTED] and [REDACTED]. The Comptroller and I will be glad to participate if you so desire.

Please let me know what you would like to do about this.
